Payment Danger Zone

Protecting Yourself from Identity Theft.

Keep your accounts out of the Payment Danger Zone by following a few simple rules.

1. Verify all transactions on your account statements as soon as they arrive, including small amounts under \$20 that may indicate fraud.
2. Make online purchases only from trusted websites.
3. Use a paper shredder to dispose of any documents containing personal information.
4. Don't store PINs with your debit and credit cards.

Tip!

Paying your bills electronically through our secure bill pay system will eliminate the risk of mail fraud and allow you to keep your account numbers confidential.

To report any suspicious activity on your account, or if you have questions about the security of your account, you can call us at 970-351-8600 or visit any of our locations.

The security of your money and identity is as important to us as it is to you. Let's work together to protect it.
