Email Danger Zone

Protecting Yourself from Identity Theft.

Avoid the Email Danger Zone by following a few simple steps.

1. Never respond to any email asking for confidential information, even if it appears urgent.
2. Never click on a link from an email. Instead, type the known address into your browser.
3. Do not call any phone number listed in a suspicious email.
4. Always use anti-virus and anti-spyware software on your computer.

Tip!

We will never ask for your account information in an unsolicited phone call or email.

To report any suspicious activity on your account, or if you have questions about the security of your account, you can call us at 970-351-8600 or visit any of our locations.

The security of your money and identity is as important to us as it is to you. Let's work together to protect it.
